Aura is the leader in online security. Now we're helping families protect what matters most: your kids' safety and wellbeing. Built by child psychologists and digital safety experts. Trusted by families.

Online Safety

#1-rated parental controls so kids
can explore with guardrails

- ✓ Filter, block, and monitor websites and apps
- ✓ Get alerted to cyberbullying, predators, and toxic gaming behavior
- ✓ Know if your child is talking to a high-risk AI chat app

Online Wellbeing

Developed by clinical experts to
support kids' safety and wellbeing.

- ✓ Set custom screen time limits and Pause the Internet® with a tap
- ✓ Track changes in device usage to spot trends and spot potential issues early
- ✓ Understand their social interactions and messaging trends
